Donn – ok I have checked in with the Chinese place and they will be able to accommodate us.

It is at 3285 Southwest freeway. North bound feeder of 59 so you make a u-turn at Wesleyan and then go north on the feeder, past Edloe and next to Bassett furniture store.

After that, we just go back up on Edloe and we are right at Timmons for the HGAC meeting. Very easy.

Thanks. Yes, I meant 4-4-12. I'll defer to Gary who has been updating several slides and or other topics if he has time to forward that.

And thanks for updating convenient lunch locations, The chinese cafe sounds good, plus convenient to the meeting. We'll need to know the exit off 59, etc

This looks good. Yes, the address is not correct. I will change it. Also you have overview for HGAC 4/12 but it should be 4/4 since we are meeting that day unless you meant the year. So will there a big powerpoint presentation like there is normally at the BIG meetings? If so, please send it to me by tomorrow so we can distribute it out to everyone and avoid the problems of sending it to everyone at the meeting itself.

In terms of food options, we can eat at Doneraki which is mexican at gulf gate mall(off 45/610 intersection) on the way toward HGAC after our meeting or I was also thinking of this quite chinese fusion bistro near HGAC (on 59 south-bound feeder at Edloe near Bassett furniture) called Cafe Chino (not a buffet but nice set of lunch items to choose from - the usual plus some more polished items like salmon, steak). There is a lot of parking at both of these places. Other restaurants around HGAC have a lot of parking issues and we will be pressed for time. You can google both these places or if there are others you would like.
